

INTELLICENTER®

CONTROL SYSTEM FOR POOL AND SPA

Paradise has never been more portable.

PENTAIR.COM

EVERYTHING NEEDED FOR EFFORTLESS POOL AND SPA CONTROL

from up close or around the world.

Wherever you are, the IntelliCenter® Control System for Pool and Spa makes it easier and more intuitive than ever to control your pool. Use your familiar iOS® or Android® mobile devices from anywhere in the world. The IntelliCenter features new color touchscreen interfaces at the equipment pad, as well as via an optional indoor control panel and/or optional wireless poolside remote. Its razor-sharp screen clarity and step-by-step instructions make operation a cinch.

COLOR TOUCHSCREEN INTERFACE

Scheduling and operation are easy with the color touchscreen interface. It displays intuitive instructions in beautifully clear text and rich colors.

EASY REMOTE CONTROL OR REMOTE ACCESS

The IntelliCenter Control System for Pool and Spa has built-in connectivity for iOS and Android mobile digital devices. It also allows control from an Apple Watch® wrist-wearable device. Want to turn on heating for a warm, relaxing soak before you arrive? The IntelliCenter makes it easy. It can even provide real-time alerts when an issue requires attention.

BACKYARD CONTROLLER OPTIONS

Optional controllers make operating an IntelliCenter system easy and convenient from your backyard.

- **Indoor control panel with color touchscreen**

- Controls all functions of the IntelliCenter Pool and Spa Control System
- Controls items like spa jets, lights, blower, water features, etc.
- Available in white, tan and black to match a variety of decors

- **IntelliCenter wireless remote with color touchscreen**

- Controls the same features as the indoor control panel via water-resistant wireless remote

- **Four-function, spa-side remote**

- Controls any four items like spa jets or lights

- **10-function spa-side remote**

- Controls any 10 items like spa jets, lights, blower, water features, etc.
- Spa temperature control
- Controls variable speed and flow pumps

Controller options

DESIGNED TO MAKE SMARTPHONE CONTROL EFFORTLESS, NO MATTER WHERE YOU ARE

The IntelliCenter is designed specifically to take pool owners all the way to effortless operation from across the yard or around the world. Your backyard paradise is never more than a hand's reach away.

Check status from the other side of the world

When life takes you far from home, use your iOS device, Android device or Apple Watch to stay in touch.

Anywhere in your home

Make adjustments from an optional indoor control panel, a convenient wireless remote, or your smartphone.

Prep for relaxation from the office

Planning an after-work dip? Schedule heating hours remotely with the IntelliCenter.

Stay with the party

No need to interrupt good times with friends and family to set the perfect mood.

Aqua Integral®
Agua para el futuro

CRYSTAL-CLEAR, CHEMICALLY BALANCED WATER

with the touch of a finger.

It's easy to pair an IntelliCenter Control System for Pool and Spa with sanitizing and water chemistry control systems from Pentair. The result is more time enjoying your pool or spa and less time monitoring and maintaining your water chemistry. Let the equipment do the work for you, precisely!

INTELLICHLOR® SALT CHLORINE GENERATOR

Perfect water without handling chlorine

The IntelliChlor Salt Chlorine Generator uses common table salt to produce all the chlorine your pool needs, right in your pool—safely, effectively and automatically.

- Same sanitation performance as manual chlorine addition without the drawbacks.
- No need to buy, transport and store expensive chlorine compounds.
- No more odor, stinging eyes and irritated skin.

INTELLICHEM® WATER CHEMISTRY CONTROLLER

Perfectly balanced water with hands-free, automated ease

For the ultimate in pool chemical management, pair the IntelliChlor Salt Chlorine Generator with an IntelliChem Water Chemistry Controller. When combined, these two products deliver the precise amount of chemicals to keep pool water clean, clear, safer and in perfect balance...automatically.

- Automatically achieves precise water balance.
- Prevents excess chemical addition, assuring safer water.
- Minimizes chemical costs.
- Flow sensor ensures chemicals won't feed without system flow.

PRECISE, EFFORTLESS AUTOMATIC VALVE SETTING.

Every pool/spa combination (pool with attached spa) IntelliCenter® Control System for Pool and Spa comes equipped with two IntelliValve® Valve Actuators. IntelliValve Actuators offer the best flow control technology available for your backyard paradise. You can set flow for slides, water features and spillways.

Unlike competing valve actuators, setting IntelliValve Actuators doesn't require trial-and-error disassembly procedures. They're easy to set from the intuitive, push-button interface on the actuator body.

Precise accessory flow control has never been so simple!

Setting the sight and sound of your spa spillway is push-button easy, thanks to the IntelliValve Valve Actuator.

Aqua Integral

CONVENIENCE BY PENTAIR

Let the advanced and flexible automation technology of IntelliCenter handle the details so you can focus on the renewal and revitalization you've earned.

The IntelliCenter Control System for Pool and Spa has earned the Eco Select® brand distinction as one of the greenest and most efficient choices from Pentair.

TRADEGRADE

The TradeGrade family of products is exclusively made for and sold by the world's most demanding pool professionals.
