Complies with UL 1563
CSA C22.2 No. 218.1-M89
Swimming Pool Equipment
Listing #E212148

VGB 2008

Installation

The BaduJet is normally incorporated into the design, but it can be added to any pool at a later date. The BaduJet has no protruding parts ensuring pool users' safety. Very compact, installs at minimal cost.

All BaduJet systems include control box with relay, air switch, and air tubing. Minimum 4" plumbing is required. Pump and control box also available in 3 phase. Read all instructions before installing.

Consult your physician before attempting any strenuous exercise. This product may not be challenging or satisfying for all levels of exercise.

Applications

- Perfect for in-ground & above-ground pools (Commercial & Residential)
