SwimJet System

The BaduJet Inspiration is perfect for existing in-ground pools as well as new installations and even above ground pools. The system features dual swimjets for optimal swim against the current action, no-impact aquatic exercise, water massage and fun for the entire family.

features

- A.** Two-piece body molded of a heavy duty ABS plastic immune to chemicals and environmental abuse, to provide a rugged and attractively styled water treadmill.
- B.** Adjustable water flow jet nozzles.
- C.** Light (ON/OFF) knob turns low voltage light ON/OFF.
- D.** Pump (ON/OFF) button guarantees complete separation between pool water and pump motor control.
- E.** Air regulator (OPEN/CLOSE) knob permits a controlled mixture of air into the water flow and creates a unique, invigorating, bubble effect. It will also add additional resistance to swim against.
- F.** Control box with 15' GFCI cord. (Not Shown)
- G.** Speck 4 HP self-priming, plastic pump. UL Listed, single phase with thermal overload (*no motor starter required*). (Not Shown)
- H.** Massage Hose with pulsator may be attached to jet nozzle. (Not Shown)

All Badu SwimJet Systems are VGB compliant and carry UL, MET and ASME approvals.
